

RAMAKER STABLES - FEED REQUEST FORM

1. This form must be filled out and submitted at least **2 days** before departure.
2. Please put this form and enough 1 gallon zip lock bags for each feeding in the feed room at least 2 days prior to leaving. Mark the bags with your horse's name. You can re-use your baggies. After we fill these baggies, we will leave the grain in the feed room for you to pick up before your trip.
3. You need to coordinate when to pick up your hay so that we can give it to you (especially if you are leaving very early in the morning). You may only take 3 flakes of hay per day that your horse will be gone. The only exception would be if you are already paying extra for hay or alfalfa, then you can take that as well. If you want to take more hay for your trip, please specify how much and we will add this to your next month's bill: _____

Today's date: _____

Your Name: _____ Phone Number: _____
